Resume & Portfolio

About me

A competent, responsible, and versatile individual seeking a challenging 3D designer opportunity where the technical and problem-solving skills gained from my 14 years of experience can be applied. Being a self-motivated designer, I can carry out multiple tasks, demonstrate my ability to be highly committed, organized, and competent in highly pressurized situations.

I am currently working with FAALYAT WLL as a Senior 3D Visualizer, Graphic Designer, and photographer. I would like to express my strong interest in the 3D Design Professional position at Visual Victory. With a solid background in 3D design, a passion for innovation, and a track record of creating compelling visual experiences, I am excited about the opportunity to contribute my skills to your dynamic team.
